WINCHESTER

Kentucky Straight Bourbon Whiskey

Winchester Kentucky Straight Bourbon Whiskey represents the joining of two great American stories; the legendary Winchester name, synonymous with frontier spirit and craftsmanship since 1866, and the proud Kentucky Tradition of bourbon distilling, shaped by generations of master distillers. Blended carefully from selected well aged barrels, this bourbon honors the precision, grit, and authenticity that have defined both worlds for more than a century. The result is a whiskey built on heritage but crafted for today: bold, confident, and unmistakably full of American Tradition.

Mash Bill	ALC/VOL
70% corn 20% barley 10% rye.	92.4 proof

Distilled and aged in Kentucky USA

WINCHESTER

★ DOUBLE OAKED ★
Kentucky Straight Bourbon Whiskey

Winchester Kentucky Straight Bourbon Whiskey represents the joining of two great American Stories, the legendary Winchester name, synonymous with frontier spirit and craftsmanship since 1866, and the proud Kentucky tradition of bourbon-making, shaped by generations of master distillers. Our Double Oaked expression carries that legacy even further, resting fully matured bourbon in a second deeply toasted and charred new oak barrel to amplify richness, sweetness, and complexity. The result is a whiskey with bolder character, layered oak, and a long resonant finish. A barrel forward evolution of Winchester's heritage, built for those who appreciate depth without sacrificing authenticity.

Double Oaked. Aged in secondary toasted oak barrel.

Mash Bill	ALC/VOL
